## **New Website Gives MCE an Energizing Refresh**

*Streamlined navigation and enhanced features improve user experience*

**SAN RAFAEL and CONCORD, Calif.** – It’s easier than ever to find rebates, incentives, and information about clean energy options for MCE customers in Marin, Napa, Solano and Contra Costa Counties.

Bay Area residents, businesses, contractors, and job seekers have the latest details and tools at their fingertips to save money and energy while confronting climate change.

**“We’re making it seamless for folks to help us lead the transition to clean energy,”** said JB Ackemann, MCE’s Vice President of Public Affairs. **“Whether you want to save money, boost your home’s efficiency, add solar and storage, or buy an electric vehicle, you can find what you need in seconds.”**

Since launching in 2010, MCE has grown to serve 1.5 million residents and businesses while offering an expanding suite of cutting-edge clean technology services. The not-for-profit, public electricity provider has invested over \$246 million to uplift the local economy, create green jobs, and support cleaner air for all.

Visitors can navigate through MCE’s offerings and quickly find out which programs they are eligible to participate in.

- The [Rebate & Incentive Finder](#) provides a customized list of offerings based on each person’s needs, including federal, state, local, and MCE incentives that can be combined to maximize savings.
- The [Explore Programs & Offers](#) page helps residents, businesses, organizations, and industry partners to easily filter and identify ways to save energy and money.

MCE's website is available in several languages, enhancing its accessibility for customers.

The new site features a refreshed brand and logo, which reflect the environmental and health benefits of renewable energy. New brand colors are inspired by the stunning landscapes and flora of MCE’s member communities across Contra Costa, Marin, Napa, and Solano Counties.

**“Visit our new website and discover all the ways MCE can help you save while supporting a healthier environment for everyone in your community,”** said Ackemann.

MCE’s website URL remains the same: [mceCleanEnergy.org](https://mceCleanEnergy.org)

###

**About MCE:** MCE is a not-for-profit public agency and the preferred electricity provider for more than 585,000 customer accounts and 1.5 million residents and businesses across Contra Costa, Marin, Napa, and Solano counties. Setting the standard for clean energy in California since 2010, MCE leads with 60-100% renewable, fossil-free power at stable rates, serving a 1,400 MW peak load and significantly reducing greenhouse emissions and reinvesting millions in local programs. For more information about MCE, visit [mceCleanEnergy.org](https://mceCleanEnergy.org), or follow us on your preferred social platform @mceCleanEnergy.
