

# MCE's Approved Electric Vehicle Supply Equipment (EVSE) Vendors

**Below is a list of approved vendors for MCE's EV Charging program. The average total project cost for customers in this program is \$8,000–\$10,000 per port for networked Level 2 charging.**

Total project cost accounts for hardware, software, networking fees, O&M package, installation, parking lot improvements, signage, ADA compliance, and permitting. MCE recommends getting at least 3 quotes before making a selection. This list does not represent an endorsement by MCE of any specific company or product. MCE makes no representations regarding manufacturers, dealers, contractors, materials, or workmanship of the EVSE package selected and installed by the customer.

Approved vendor	# of charging hardware & software packages offered	Installation managed by	Charging level and charging port costs	Networking fees	Standard & extended warranty fees	User transaction fees <sup>1</sup>	Promotional pricing <sup>2</sup>	Action needed to own low carbon fuel standard (LCFS) credits
<b>AmpUp</b> Bob McGrath <a href="mailto:sales@ampup.io">sales@ampup.io</a> <a href="mailto:bob@ampup.io">bob@ampup.io</a>	19	Vendor or customer	Level 2: \$960–\$4,110/port	Initial 2 years: \$175–\$350/year Add'l year: \$175–\$350/year	Standard & Extended Warranty: Depends on manufacturer	11% of transaction	Depends on manufacturer	Vendor collects LCFS credits by default. Customer may notify for full ownership. Reporting support services available.
<b>Atom Power</b> Timothy Nutter <a href="mailto:tnutter@atompower.com">tnutter@atompower.com</a>	8	Vendor or customer	Level 2: \$2,025–3,650	Initial 2 year: \$350/year Add'l years: \$350/year	Standard Warranty: 2 year equipment Extended Warranty: 1 year \$85/port or 2 years \$180/port	11% of transaction	N/A	Vendor collects LCFS credits by default. Customer may notify for full ownership. Reporting support services available.

<sup>1</sup> User transaction fees not factored into the estimates for minimum upfront project costs, special pricing, or discounts. These could be paid by charging station users.

<sup>2</sup> Contact vendor rep for information on special pricing or discounts.
