

Board and Municipal Update

February 2026

Local jobs. Lasting impact. Green futures.

[Learn More](#)

Hello Jenna,

Help us share these opportunities and stories with your partners. Together, we can inspire action and so much more!

Key Updates

- **Empowering the Green Workforce:** MCE's partnership with the LIME Foundation for a new cohort of the Next Gen Trades Academy was recently featured on ABC7 with this great [segment](#). Help us amplify this powerful story about local green jobs by sharing on your channels!
- **Powering Up Bay Area Bridges:** Caltrans has enrolled several of its Bay Area bridges into MCE's Deep Green service, helping decarbonize our transportation sector. The energy needed to power the Richmond-San Rafael, Antioch, Benicia–Martinez, and Carquinez bridges is now sourced by 100% renewable electricity. [Read the full story](#).
- **Unveiling New Art in Downtown Martinez:** MCE and the City of Martinez are [celebrating good energy](#) with a new mural, highlighting

community partnership. [Join us](#) at the Boys & Girls Club of Martinez on March 7 at 10 a.m. for the unveiling!

- **Celebrating 15 Years with Canary Media:** Watch our latest [video](#) to see how MCE is powering up our local green workforce. Our 15-year journey has driven a \$4.5 billion investment in new renewables, supported more than 7,100 jobs and helped the state achieve its clean energy targets nearly two decades ahead of schedule.

Featured Resource

MCE's [Winter Communications Toolkit](#) is now available! Use the content to share with your community how they can save money with MCE and get involved. The toolkit, available in English and Spanish.
