You don't often get email from joanluba@gmail.com. [Learn why this is important](#)

I have held many responsible local, county, state and federal positions. I strongly support public service and democratic institutions.

I have found it painful to read media reports about Marin Clean Energy (MCE) activities over the last months. The reputation of what could be a fine government agency has been severely tarnished. We have seen an increasing distrust of government during the past few years, throughout the country. I don't want MCE to further foster this distrust.

I urge you to take heed of the Grand Jury report, especially concerning governance. I also urge you to appoint Stephanie Andre, Sally Wilkinson, or both, to the Search Committee to recruit and hire a new CEO.

Thank you for your consideration.

Sincerely

Joan Lubamersky
