MCE Heat Pump Water Heater Kicker – Customer Attestation

I, _____, understand and agree to the following as a condition of receiving MCE rebates (Rebate). MCE will confirm the contact and home address information provided matches the electric account holder on file before the Rebates listed below are approved.

MCE Heat Pump Water Heater Kicker Incentive	Rebate Amount
Standard HPWH rebate ($3,000)	$
Ultra-low GWP* (<10) HPWH rebate ($5,000)	$

MCE Heat Pump Water Heater Kicker incentives may not be stacked.

**Ultra-low Global Warming Potential technologies have a GWP <10*

By signing below, I attest that:

- I am installing an energy efficiency project at the Site listed herein.
- Rebate amount indicated in the table above will be received from my contractor through a reduced project cost as indicated on my invoice, direct payment, or some other agreed-upon method.
- I will not receive the Rebate amount if the designated equipment listed above is not installed.
- I am a residential customer taking service from MCE and am the authorized representative of the account.
- I agree to continue to take service from MCE for a period of at least 5 years after receiving the Rebate.
- I agree that if for any reason I opt out of MCE service before the 5 years following installation of equipment, MCE is entitled to seek reimbursement from me for the Rebate received on a prorated basis.
